

Ph.D. PROGRAMS

The University offers the opportunity for Ph.D. studies in virtually every one of its faculties and departments.

Eligibility

Graduates with a master's degree, a minimum cumulative grade of 80, and a master's thesis grade of at least 85 may apply for studies leading to the Ph.D.

Students who have completed their undergraduate studies with distinction may apply for the direct course of studies leading to the Ph.D.

The above are minimum requirements. Some faculties have additional requirements.

Registration forms and further information may be obtained from the Secretary, Section for Research Students, Academic Secretariat, Tel-Aviv University (Tel. 03-6408161).
